RAD Update

April 7 2021 The Sacramento Housing and Redevelopment Commission approved a business item [*Central City (Rental Assistance Demonstration 2) Tax Equity and Fiscal Responsibility Act Hearing, and Approval of Tax-Exempt Bonds, Option Agreement and Loan Commitment*] that starts the process for the next phase of the RAD conversion.

This phase affects Capitol Terrace and Edge Water Apartments. SHRA will attend the Resident Committee meetings and also host their own. They will share information with the residents and take input on the needed improvements on the properties.

There will be inspections of the building by contractors and architects; but, they will give at least 48 hours notice

programs for over 47 years. Live operators staff the phones 24 hours a day 365 days per year. WeTip has no taping, tracing or caller ID. WeTip also offers rewards of up to \$1,000 when information leads to an arrest and conviction. If you have information about any type of crime, call WeTip at 800-78-CRIME to report illegal or suspicious activity or log on to wetip.com. All calls are anonymous, not just confidential.

before entering your apartment.

They hope to start the work in November or December.

Once the work begins the residents will need to move out for several weeks in eight to ten groups of nine or ten at a time.

SHRA will provide a place to stay in another unit or at a hotel. You will not need to pay for the temporary stay or utilities, however, you do need to make your regular payments on your apartment. You will be returning to your same apartment as soon as they are done.

A relocation specialist will work with you and SHRA to make the move as smooth as possible. Accommodations for needs, transportation, and pets will be handled in advance. Packing assistance will be provided as needed.

SHRA has hired an insured moving and storage company to pack up your belongings and store them. They will bring them back afterward so they are not damaged during the remodel.

You will need to take your daily necessities with you while you are on 'vacation' at the furnished apartment. The relocation specialist will go over what to take and what to pack for storage. All the utilities will be furnished. You will need to continue to make provisions for your meals. Meals on Wheels can deliver to your temporary location if you are signed up with them.

When you return, you will sign a new lease and a tax credit certification. The rent will still be 30% of your adjusted gross monthly income and your current recertification will stand.
